

December Edition, 2021 Monthly Newsletter

Dear valued supporters and subscribers, a warm Namaste from Nepal. Here are all the events and activities that happened this month.

Success Stories

Celebrating Tiger's Victory!

Tiger, one of our dog at was selected by K9 Carts, USA for their 2022 calender. They feature inspiring stories of dogs around the world. We are very happy for Tiger. It is a victory for all of us.

Cloudy's Successful Adoption Story

Cloudy, this white cloud of joy is now safely in his new home in Canada with his new family. Special thanks to Rescue Paws Canada for helping Cloudy find a forever home, and Sandra for giving him a home.

Bucky's successful recovery

Bucky was brought to us from a hit-and-run accident which had one of his eyes protruding from his eye socket. Sadly our vets had to remove his affected eye, but Bucky is recovering very much now.

Events and campaigns

Animal Birth Control Campaigns

As part of our annual Animal Birth Control campaigns, our medical team at Sneha's Care have been providing relentless attempts at keeping Lalitpur Metropolitan City rabies and babies-free city.

In December, 210 dogs have been spayed/neutered as part of Sneha's Care's ABC Campaign. We have had special support from **Help Animals**

Kathmandu Veg Fest 2021

Apart from our activities in animal rescue and providing animal treatments, we have also been working to promote a more animal-friendly, compassionate diet as an alternative to meat, eggs and dairy.

For our 2nd vegan food festival, we partnered up with Utpala Café on 11th December. They are a vegetarian restaurant in Bouddha meeting all our

India and Humane Project Nepal for our campaign. Our mission is going strong!

requirements. And all in all, we had a successful event, **Ktm Veg Fest 2021**.

Christmas fund raising sales

For Christmas eve and Christmas day, we were at the farmers' market that takes place in every Saturday at Utpala Café, Bouddha. We sold several merchandises to raise funds for our shelter animals.

We sold badges and hand bags with animal prints, keyrings, t-shirts and vegan bakery foods. We were able to sell quite a few and collect funds for our shelter.

Adoptions

We had a rescue case from Kathmandu where a male dog was looking after 4 little abandoned pups. The father dog was injured and would not leave the pups. So, we brought the father dog along with all 4 pups to our shelter for treatment.

We are immensely thankful to Miss. Renu Shah and even happier that the little pup Pinky now has a new home and a lovely family.

Mobile treatment

We try our best to tend to as many cases as we can. Add to the cold winters of December, there have been an increase in the number of hit-and-run cases, and more animals in the streets get sick, and also injuries take longer to heal.

In December, we provided around 8-10 mobile treatment cases every day. Some notable cases were a severely wounded pitbull which was beaten and abandoned, and a little cow was abandoned and disowned when she got sick, needed help the most. Our mobile treatment services are strong as ever.

Little Visitors

A whopping 62 groups both solo, families and in groups, visited our shelter this month. Every visitor brought in food, blankets and even donated money for our shelter animals. We are always happy to show people around our shelter.

Upon seeing our work first-hand at the shelter, we receive appreciation, gratitude from our visitors. We also have an increasing number of people requesting for a volunteering at our shelter.

A Happy New Year 2022!

We send our best wishes to all you well-wishers, donors, volunteers and subscribers that all your love and support would come back to you ten folds. May your 2022 be filled with warmth, love and joy.

Hope you had a jolly and merry Christmas. We wish you a Happy New Year. Looking forward to your continued love and support.

See you in our next edition!
