Dear Compassionate Hearts,

As we step into March, we are reminded of the resilience and love that bind us together in our mission to protect and care for animals. This month has been both challenging and inspiring, but the unwavering support from our community continues to keep us moving forward. From the heartwarming stories of our rescued animals to the ongoing efforts to secure a safe future for our shelter, every moment has been a testament to the power of compassion. In this edition, we bring you updates on our beloved rescues, exciting initiatives, and ways you can stand with us in this journey.

THE POWER OF COMPASSION

March is a time to celebrate the strength, resilience, and achievements of women around the world. From the workplace to the home, women lead with grace and determination, inspiring us all to strive for a more inclusive future.

March holds a special significance for us at Sneha's Care, as we celebrate the strength and leadership of women.

At the heart of our organization is Ms. Sneha Shrestha, the visionary founder of Sneha's Care, whose story is a true testament to inspiration and compassion. She is a beacon of hope, not only for those who work alongside her but for thousands of individuals around the world. Her unwavering dedication to making a positive impact extends far beyond the boundaries of our organization, touching lives and igniting change.

As a women-led organization, we are proud to honor her leadership and the powerful legacy she continues to build.

From the Shelter Floor to the Stage of Influence

We are beyond excited to share that our founder, **Ms. Sneha Shrestha**, has been honored with the prestigious '**50 Influential Women Award**.' This achievement is not just a reflection of her dedication, but also of the unwavering support we've received from all of you.

This award is a shared victory, belonging to all who have believed in us, supported our mission, , and stood by our side. We are also deeply thankful to OnlineKhabar for starting this amazing initiative and recognizing the efforts of women who are making a difference.

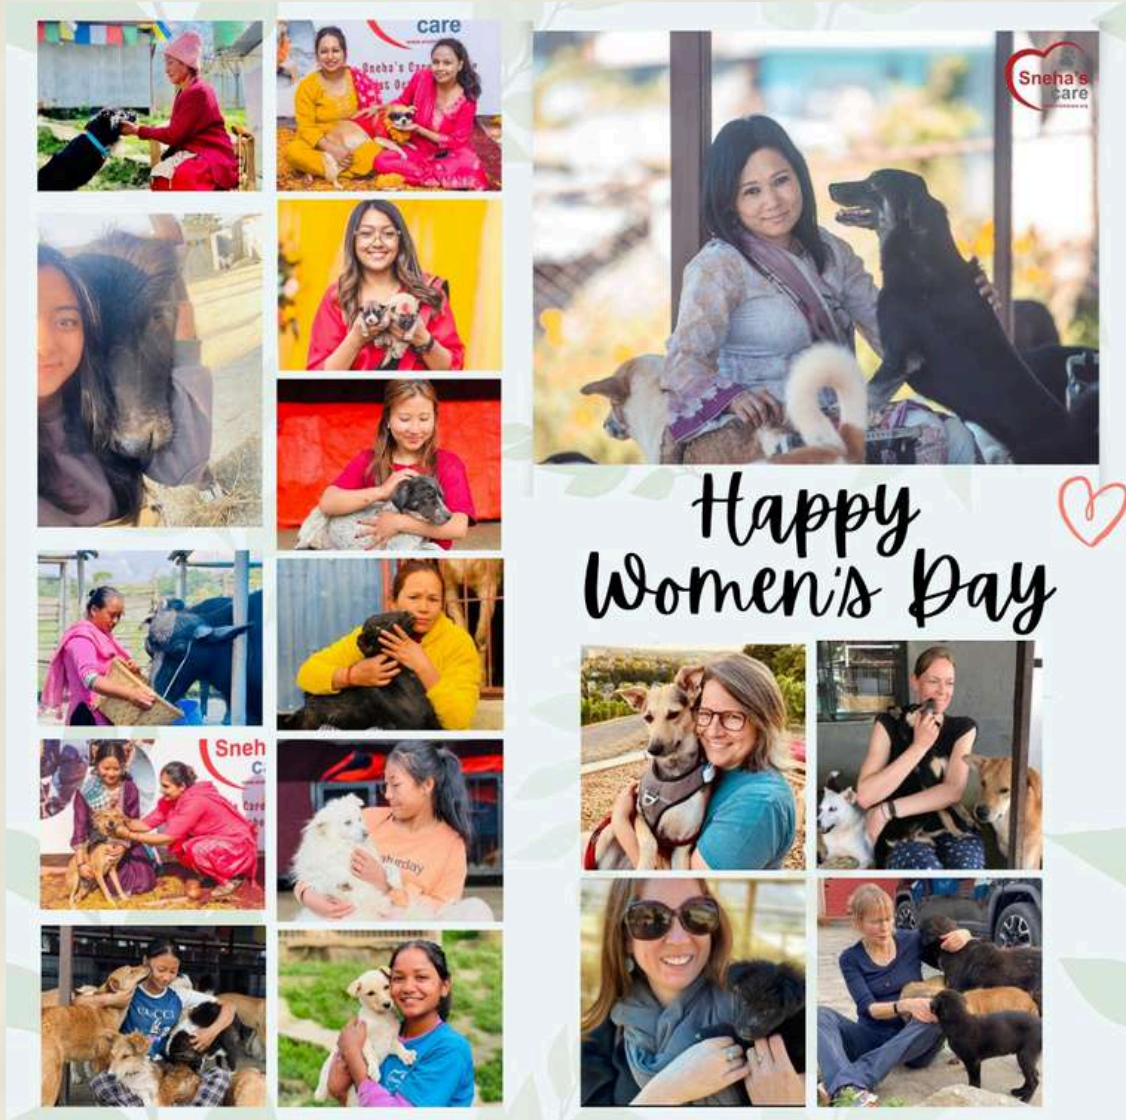

We promise to continue our fight, delivering love, care, and advocacy for animal rights, now and forever.

This Award Goes to...
Every Rescued Animal Who Believed
in Her!

*Celebrating the strength , love and resilience
of women everywhere today and always.*

To all the powerful women who continue to break barriers, inspire change, and uplift those around them, your impact is immeasurable. A special thank you to the incredible women at Sneha's Care, whose unwavering dedication and selfless love for animals make the world a kinder place. May we continue to honor the strength, kindness, and wisdom that women bring to every corner of the world.

ANIMAL BIRTH CONTROL CAMPAIGN BEGINS IN ललितपुर

The objective of our Animal Birth Control (ABC) campaign in Lalitpur is to humanely manage the stray animal population through systematic spaying and neutering. By reducing uncontrolled breeding, we aim to prevent the suffering of stray animals caused by malnutrition, disease, and human-animal conflicts. Additionally, our efforts help create a healthier and more harmonious environment for both animals and residents by minimizing aggressive behavior and the spread of zoonotic diseases. Through this campaign, we remain committed to promoting responsible animal welfare and fostering a compassionate community in Lalitpur.

We are grateful to [Help Animals India](#) for supporting and helping make this campaign a success.

Glimpse of our team in action

Educating the Future of Our Community

We would like to extend our sincere gratitude to **Premier International IB Continuum School** for visiting us with their Grade 5 students as part of their PYP Exhibition Unit. It was a pleasure sharing our work on animal welfare and conservation.

We hope the visit provided valuable insights into real-world conservation efforts and inspired the students to make a meaningful difference in their own communities.

We would like to express our sincere gratitude to ING Skill Academy for visiting and volunteering with our animals. Your time, effort, and support have made a meaningful impact on our mission. We are proud to offer valuable opportunities for community involvement, and it's through the support of groups like yours that we are able to continue our work and create a positive difference. Thank you for your dedication and for helping us make an enduring impact.

BEST WAY FOR YOUR ORGANIZATION TO FULFIL ITS CSP.

ROTARACT CLUB OF KMC

MBBS 3rd-year students

A heartfelt thank you to the entire team for visiting our shelter! Your time, energy, and the love you shared with our animals made a world of difference. We are incredibly grateful for your kind and generous donation, which will help us continue our mission of providing care, love, and advocacy for the animals in need.

A Special 1st Birthday Celebration with a Difference at Our Shelter

We are truly honored to be a part of Kiaansh Kanodia's very first birthday celebration!

A heartfelt thank you to Miss Grace Rauniyar Kanodia for choosing to celebrate this special day with our rescued animals. Her generosity and compassion for animals in need, especially during these challenging times, has deeply touched our hearts.

Wishing the Kanodia family a lifetime of happiness, love, and beautiful moments ahead.

A Life Left in the Wake of Tragedy: Grace's Story

GRACE is a victim of a hit-and-run accident. He was struck by a vehicle and left on the side of the road, without any care or treatment. The impact of the accident left him unable to move, and due to the pain, he couldn't even eat. Thankfully, the community alerted us, and we rushed to rescue Grace. We took him to Animal Medical Center (AMC) for X-rays and further examination. The X-rays revealed a hip fracture and dislocation, which unfortunately couldn't be reversed. Additionally, Grace was showing signs of multiple organ failure, with internal bleeding and trauma from the accident. We brought him back to the shelter, where we are providing him with the necessary treatment to help him recover.

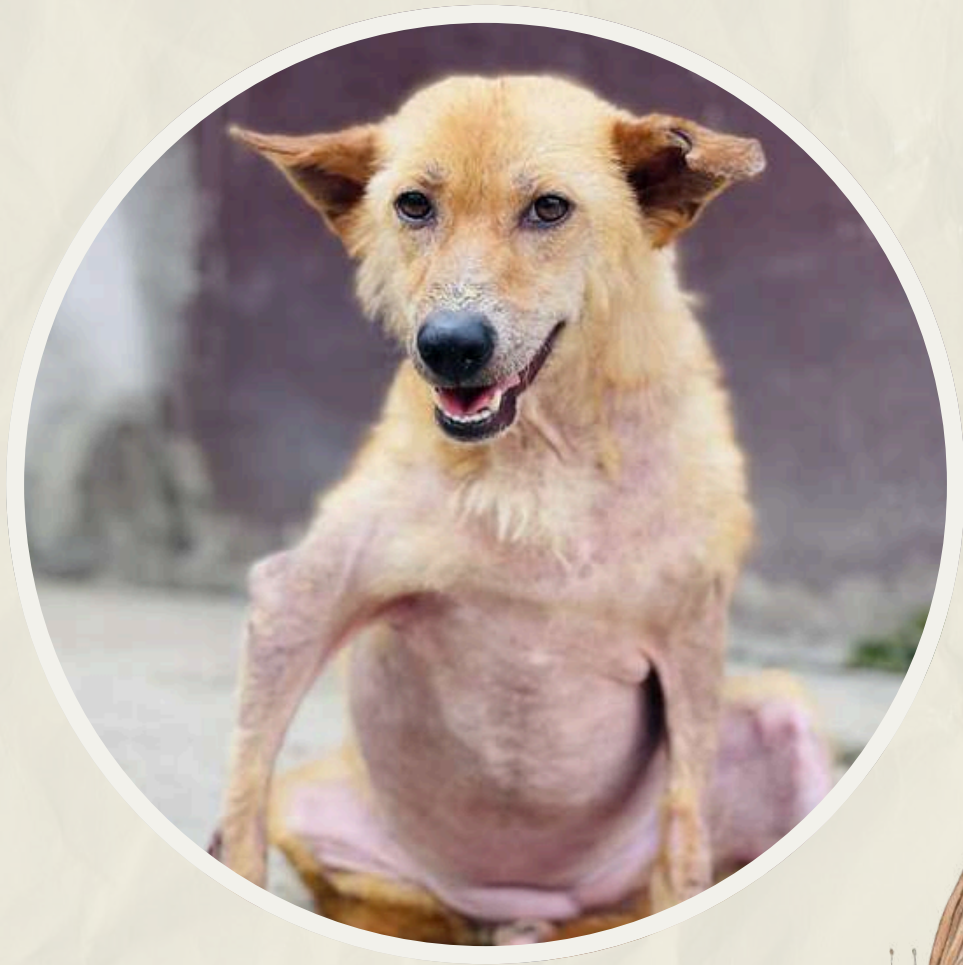

Despite our best efforts, we could not save Grace. Her condition deteriorated rapidly, and despite the treatment and care we provided, her body couldn't withstand the severity of the injuries. Grace passed away, leaving a void in our hearts and in the shelter.

However, Grace's death shouldn't be seen as just another dog who passed away. It should serve as a powerful reminder and a lesson to all those who speed and drive recklessly. Grace's life was tragically cut short because of someone's carelessness, and her death highlights the very real consequences of irresponsible driving.

Let her story inspire us all to drive with more caution and empathy, remembering that every life, no matter how small, matters. If we can prevent even one more tragedy like this, then Grace's legacy will not have been in vain.

Rest Easy, sweet boy!

*Always in our
memories*

Rescue and Recovery: A Life Given a Second Chance

When we received a report about a dog in Nakkhu suffering from a severe skin infection, we knew time was critical. Without hesitation, our team rushed to the location, determined to help him. His condition was heartbreaking—his skin was inflamed, and he was visibly uncomfortable. We carefully rescued him and brought him to our shelter, where he could receive the urgent medical attention he needed.

At the shelter, our dedicated team provided him with the necessary treatment, ensuring he received proper medication, a nutritious diet, and a safe, comfortable space to recover. Slowly, his condition started improving, and the pain that once burdened him began to ease.

Once he was stable and on the road to recovery, we released him back into his community, where he feels most at home. But our work doesn't end there—we are committed to following up on his condition, ensuring he continues to heal and remains in good health.

Every life is valuable, and every rescue is a step toward a more compassionate world. Thank you for supporting our mission to provide care, hope, and second chances.

Whiskey Wounds ! 'Learning To Trust Again'

Whisky has been rescued and now calls our shelter home. But the scars of his past trauma still linger. He struggles to trust humans and often acts defensively. With patience, love, and the right training, we believe Whisky can learn to feel safe again.

Will you help Whisky on his road to recovery? Your support can provide him with the rehabilitation and training he needs to overcome his fears. Every bit of kindness makes a difference.

Join us in giving Whisky the second chance he deserves.

"Someone bought me, perhaps for my looks. I thought this was going to be the best place in the world. But every day, I was chained outside, no matter how sunny it was. Tied 24/7, nothing felt right. I didn't know what it felt like to be happy or well-fed. The chain started feeling heavy, not just on my body but on my soul. My world was limited to the length of the chain he tied me to.

Now, I feel like I am in a different world, they call it Sneha's care. I don't know whom to trust and whom not to. I don't know what it's like to be a happy dog. I snap back, but I am not aggressive, I swear. They say I am traumatised and need special care, but I heard it's really expensive.

I don't want my story to be written in a way that doesn't reflect who I truly am. Will you be the one to help me? Please, be the writer of my story and my life."

-Whisky

Wagging Tails and Happy Endings: Sanu's Story

When Sanu first arrived at our shelter, he was in pain with an injured leg, but despite his discomfort, his spirit remained unbroken. After a thorough examination, we learned that his wound was already in the healing phase. All he needed was a little extra care, medical attention, and plenty of love. Thanks to the dedication of our team and the love we showered on him, Sanu quickly began to recover. With each passing day, his strength grew, and soon, his injury was nothing but a memory. Today, Sanu is one of the friendliest pups at our shelter. His tail never stops wagging, and he's always ready for a cuddle from anyone who visits.

Sanu's journey is a beautiful reminder that with the right care and compassion, even the most hurt souls can heal and flourish. His transformation shows us all how love and patience can make all the difference. We're so proud of him and the brave little pup he has become.

Expressing Gratitude

We are deeply grateful to have Ms. Tsering Gurung visit our sanctuary today. Her love and compassion for animals have truly touched our hearts.

Her generous contribution for our shelter animals is immensely appreciated. Such kindness goes a long way in making a difference in their lives.

Thank you for choosing our sanctuary to spend your precious time.

We would love to welcome you again soon!

Thank you for being kind to animals.

HELP US BUILD A NEW DOG SHELTER

We're running out of time and urgently need your help to build a new home for our rescued animals. If you or your organization would like to offer support, please reach out. Without your help, we won't be able to provide them with a safe place to live.
